

Collectors Club

MoNA launched the Collectors Club in 2022, providing a platform for seasoned and beginning art enthusiasts and collectors to meet, discover new art, and discuss their interests and passions with exclusive studio tours and VIP events. A unique aspect of the Collectors Club membership is the opportunity for members to become active advocates of the Permanent Collection through the acquisition program. Inspired by the desire to grow the Collection, MoNA supports contemporary artists and galleries of the Pacific Northwest.

Collector Club Members Benefits

- Special access to visit artist studios and private collections with Q&A sessions
- Special MoNA and other Museums tours with curators, artists, and art critic
- Invitation to regional tours to selected art fairs, including the annual Seattle Art Fair
