

MoNA

Museum of Northwest Art

Cyndi McCoy is an Assistant Vice President and Branch Manager for KeyBank. She has been a part of the Skagit Valley Community for the past 9 years, working with various organizations to help teach financial literacy and assist small business owners to succeed and grow.

Having earned a BFA in Photography from Utah State University and worked on an MFA in Printmaking at the University of Utah, Cyndi is a firm believer that everyone needs art in their life.

Shortly after taking a work transfer to the Pacific Northwest from southern Utah, Cyndi found the MoNA and fell in love. As a Trustee, she is honored to be entrusted with helping to ensure this gem continues to be a place for all to come see art, learn about art, and be part of the conversation art allows us to have with each other.

Quote: The MoNA means many things to many people, for me it is more than a museum of art, it is the embodiment of the idea Art is the experience of being human.
