MUSEUM OF NORTHWEST ART
POSTPONES OR CANCELS
ALL MARCH EVENTS AND PROGRAMS

With the recently diagnosed case of the coronavirus COVID-19 in Skagit Valley, and multiple cases in nearby counties, MoNA is following advice from the Washington State Department of Health and other public agencies. We care for the well-being of all those involved in the life of the Museum, including our visitors, donors, staff, docents, and other volunteers. Disinfecting wipes and hand sanitizers are available in all restrooms and staff areas. Staff are working to clean regularly all surfaces, including door handles and rails, multiple times a day. The Board of Trustees and Staff are monitoring recommendations and guidance from State and Federal agencies and will respond as that guidance evolves.

The following March events and programs are cancelled or postponed:

March 14 – Pecha Kucha
March 16 – March 27 – Museum Galleries closed for change of exhibitions
March 28 – Whimsical Watercolor Class
March 28 – Annual Membership Meeting
March 28 – Opening Reception and Curator Talk for the Barn Show Exhibition
March 31 – Early Enrichment Children’s Program

Events that required a pre-paid participant fee are eligible for either refund or application to a future event if preferred.

Please take care of yourself, family, and friends during this time of uncertainty and stress. We appreciate your understanding the Museum’s reduction in formal programming as we all work to stay safe and healthy.

Any further changes to the Museum’s schedules will be communicated via email, Facebook and social media as quickly as possible.

The Museum galleries and store will remain open to individual visitors and small family/friend groups during regular business hours according to the Museum’s normal schedule (with the exception of March 16 to the 28 when the galleries are closed for exhibition change. The Museum Store will remain open during this time).
